**I support Gisborne District Council redirecting ratepayer funds in the 2011-2012 budget to complete the Kaiti to Wainui cycleway/walkway project.**

**If it was needed, I would be willing to contribute an extra \$1 / \$2 / \$5 per week on my rates/rent over the next two years to see this project completed as soon as possible.**

**I do / do not wish to speak to Council on this submission during the Annual Plan hearings on 4-5 May 2011.**
